
*This is the official admission offer letter for the following applicant issued via the online admission system.
Name: Mr LIU, Renyuan (Application No. : 2620417907)*

27 February 2026

Dear Mr LIU,

Admission to HKUST(GZ) as a Postgraduate Student in Fall Term, 2026-27

Congratulations! It is our pleasure to offer you admission to The Hong Kong University of Science and Technology (Guangzhou) as a postgraduate student with details as follows:

Program of Study:	Master of Science in Data-Centric Artificial Intelligence Technology
Mode of Study:	Full-Time
Program Commencement:	1 September 2026
Expected Arrival:	Late August 2026 to join orientation activities
Normative Period of Study:	2 years
Tuition Fee:	CNY398,000 per program; first payment is CNY50,000
Offer Acceptance Deadline:	13 March 2026

This is a conditional admission offer. To convert it to a confirmed offer, you are required to present official documents to attest the following (or better) attainment(s):

- Award of the Bachelor's Degree you are studying for

Accommodation

You will be eligible for the accommodation during the normative period of study which will be provided by the University, subject to the University's prevailing policy and regulations. Detailed information on the fees and arrangements will be advised later.

Offer Acceptance

Please accept the offer at <https://pgoas.hkust-gz.edu.cn/>, and make the first payment of tuition fee of CNY 50,000 as an indication of your acceptance of this admission offer by 13 March 2026.

Official Documents Required to Qualify You for Program Registration

You will be eligible for and invited to register in the above program only after the University has verified all the official documents required for substantiating your qualifications. The documents include those in support of your meeting (i) the University General Admission Requirements, (ii) English Language Admission Requirements; (iii) program-specific admission requirements, if any; (iv) conditions for admission as stated in this offer letter, if any. Details on submission of supporting documents are available at <https://fytgs.hkust-gz.edu.cn/doc>.

Such official documents should reach us by the deadline of **31 July 2026**. In case there are exceptional circumstances causing delay in the availability of the documents, please contact us at pgadmitgz@hkust-gz.edu.cn.

In addition, if you are a current/ previous student at HKUST(GZ), please note that you must have settled all outstanding payment from your studies in order to proceed to new program registration.

Student Visa Application (for International Students Only)

International students are required to obtain a student visa for pursuing their study at HKUST(GZ). General guideline on student visa application before leaving the home country is available at <https://fytgs.hkust-gz.edu.cn/visa>. Please observe the latest China visa regulations via directly consulting the local Chinese embassy or consulate.

Orientation and Additional Information

For a great start of the exciting research journey at HKUST(GZ), please plan your arrival so that you can join the official welcome and orientation activities in late August 2026 (details to be advised).

If you have any questions about the program, please contact the Master of Science in Data-Centric Artificial Intelligence Technology Program at mscdcai@hkust-gz.edu.cn.

We look forward to your joining our postgraduate community.

Yours sincerely,

Jun SHENG
